2020 Sequim Sunshine Festival

SEQUIM, WA—Celebrate the Sun in Sequim! Planning is well underway for the Sequim Sunshine Festival scheduled to take place March 6 & 7, 2020 in Sequim, Washington.

The festival features one of Sequim’s best-known assets: Sunshine! With an average annual rainfall of 16”, the same as Los Angeles, Sequim is one of the driest places in western Washington. The festival will celebrate the end of winter and look to the upcoming spring and summer seasons. It will focus on light, fun, art, physical activity and positive energy for all ages. While it may not always be sunny in Sequim, the odds are better than anywhere else in the region. And, if the sun doesn’t shine, we’ll help you to make your own sun.

2020 Sequim Sunshine Festival – page 2

The festival begins on the evening on Friday, March 6. Join us for the First Friday Art Walk and visit galleries throughout town with a special exhibit “Illuminations” on display at the Sequim Civic Center. Visit downtown eateries and beverage establishments for the Restaurant Romp and enjoy special priced menu items.

Activities on Saturday, March 7 will begin at Carrie Blake Park with a morning bicycle ride and the 1K and 5K Sun Fun Colour Run. Daytime activities include volleyball and badminton games sponsored by the Sequim YMCA, an interactive light art exhibition, community art projects, and live music throughout town.

Throughout Friday and Saturday, participants will be earning “Glow Bling” through the Great Big Scavenger Hunt to wear during the Light Up the Night promenade at Carrie Blake Park featuring an illuminated Drone Show presented by the Drone Show Light Company of Los Angeles. The show will be followed by the Sound Community Bank Beach Party with live music by local favorites Black Diamond Junction and dinner by Kokopelli Grill.

Schedules, performer applications, run and cycle event details and registration, beach party tickets and all other information will be available soon on www.visitsunnysequim.com
